

Waterview School at Alert Level 2

Teachers are really pleased to see most students back at school. Students are still working with their home classes and seem to be responding well to the structure. Break times are also going brilliantly and we have been really impressed to see the positive way our students interact with and support each other. Another positive has been the independence they have shown getting to their hubs by themselves in the mornings. It would be a great idea to send students to school with a change of clothes in a plastic bag during winter. We don't close the field and there are times when students slip over and get dirty - having a change of clothes at school makes life a lot easier!

Please Return Resources

We would like to ask that all overdue library books please be returned as quickly as possible as we have a large number that are overdue. We also need devices back so if you have an iPad or a chromebook at home could you please bring it into school as soon as possible. Teachers would like to continue with some of the digital learning and really need the devices available for students to use.

Bigfoot Bikes

Those who are happiest are those that do the most for others.
BOOKER T. WASHINGTON

Food Drive 2020

We had a fantastic response from people donating food items to school to pass on to families in need. We also had several families donate money. We have used this to purchase cleaning and hygiene items such as dishwashing liquid, clothes washing powder, toothbrushes, toothpaste and soap.

If your family is in need, a food parcel can be collected from school today and Thursday outside the front of the school. If there is still food on Friday we will put it out on Friday as well.

If you can't make it to school, please email andreath@waterview.school.nz so that we know to put a parcel away for your family to collect at another time. We would like to thank some of the wonderful Kereru students that helped sort the donated food into food parcels.

HERO - Linc Ed

We would like to ask parents to download an app for Hero on the app store or from google play. Search "Hero by LINC ED" and the app should appear. Then...

- Click NEW USER.
- Enter the email address **you have provided the school** and click REQUEST PASSWORD LINK.

...You will receive a message confirming a password email has been sent.

- Open your email inbox and click on the Hero Password Reset email.

*** please only use the email address that the school has for you.
